Re: William Morales v. City of New York et al
07CV8457

Your Honor,

This is a request for a sixty day extension of discovery in the above referenced case; this is the first such request, and my adversary, Assistant Corporation Counsel Hugh Zuber, has consented to the request.

The parties are optimistic that a settlement can be reached in the case; if not, the plaintiff is incarcerated in an upstate prison, and we will be seeking an order to produce him for a deposition. Substantial medical records and internal investigations into the incident have been produced, though some documents are still outstanding, and depositions have to be taken.

The extension would result in a June 18, 2008 discovery deadline and a July 18, 2008 JPTO deadline.

Sincerely Yours,

Andrew B. Stoll

Re: Su Wei Yang v. USDHS, Docket No. 08 Civ 2395

Dear Hon. Judge Pauley III:

I write to request an adjournment of pretrial conference on April 25, 2008 at 11:30 am to May 9, 2008 at 11:30 am.

Since I received order for initial pretrial conference, I have tried to contact with US attorney in the Office of Immigration Litigation several times. However, they haven't assigned any specific attorney to the above-referred case yet. I discussed with Mr. Lyle in the Office of Immigration Litigation yesterday. He agreed to take a look at this matter, although he is not the one assigned to this case. Both of us believed it was reasonable to request an adjournment in order for government attorney to have a chance to prepare for this case and discuss with me about discovery plan and potential settlement before trial.

Thank you very much for your courtesy!
Request granted.
SO ORDERED:

WILLIAM H. PAULEY III U.S.D.J.

Very truly yours,

Joan Xie
